Personal Statement

Customer-focused individual with 1 year of experience in customer service, including a call centre and volunteer coordination. Skilled at resolving customer queries and providing excellent service. Passionate about fashion and Zara's products, with a strong understanding of current trends. Adept at communication, teamwork, and time management, eager to apply these skills in a fast-paced retail environment.

Key Skills

Customer Service

- Resolved 50+ queries daily at Firstsource, handling issues with a 90%+ customer satisfaction rate
- Quickly demonstrated advanced product knowledge and service excellence as a member of the Firstsource team
- Delivered personalised service at BrightSpark events, greeting and guiding guests, which led to positive feedback from event supervisors and attendees
- Trained and mentored two new hires in customer service protocols at the call centre, resulting in improved team efficiency and enhanced overall service quality

Communication

- Effectively managed challenging customer interactions in a call centre environment, using empathy and clear communication to resolve complaints, resulting in improved satisfaction rates
- Demonstrated strong people skills as an event coordinator, liaising with attendees to ensure smooth coordination
- Consistently delivered clear explanations of complex products or services to customers, reducing confusion and enhancing the overall shopping experience

Time Management

- Successfully managed a call centre job while pursuing my A-levels, maintaining performance despite tight deadlines
- Coordinated multiple tasks simultaneously at NGO events, including guest coordination, event setup, and logistics, ensuring all activities ran smoothly and on time
- Prioritised customer service tasks during peak call centre hours, handling a higher volume of calls without sacrificing quality or customer satisfaction

Skills

1. Highly organised and effective communicator with all levels of management, peers, and diverse cultural audiences
2. Technically proficient in using Point of Sale software (TokenWorks, Magnetic Card Reader, and Plexis POS)
3. Skilled at MS Office (Word, Excel, and PowerPoint)
4. Bilingual, fluent in English and French
5. Solid expertise in upselling, conflict resolution, and client relationship building
6. Excellent interpersonal, communication, analytical, and organisational skills

Hobbies & Interests

1. Watching Wrc
2. Anime
3. Making music
4. All in all, anything fun that is indoor is probably my hobbies

- Demonstrated ability to meet deadlines and manage workload effectively during busy retail periods, particularly during holiday seasons and peak event times

WORK EXPERIENCE

I think at this point my small project is 20% prove that I know what I'm doing
